## Learn How to Bid Public Entity Construction Projects

Hundreds of general contractors and subcontractors from around the country are coming every month to this unique seminar which Chris calls "The Best Kept Secret of Public Entity Contractors". This is a unique all-day seminar not available anywhere in the country. No books are available anywhere or classes offered by any institution.

- Schools
- Townships
- Counties
- Libraries
- Firehouses
- HUD Housing
- State
- Airports & Hospitals

The seminar is taught by Mr. Chris M. Daskalakis, the CEO & Founder of BidstreetUSA, who has been a Public Entity contractor for over 20 years. This 1-day class teaches you everything you need to know on "How to Bid Public Entity Construction Projects" as a prime contractor straight from the Public Entities; schools, townships, cities, state, libraries, fire houses, in ANY STATE. Unlike private work or subcontractor work where you leave money on the table, Public Entity work is guaranteed money with the highest profit margin available, because you are the PRIME contractor.

This seminar will teach you the fundamentals as well as advanced methods & techniques in the "ART OF BIDDING & WINNING PUBLIC ENTITY BIDS", which includes hands-on training on filling out your first Public Entity Bid and attending a Public Bid opening!

This seminar will pay for itself as soon as you start bidding Public Entity work and the information and the techniques you will gather will stay with you for a lifetime. Our office is located 40 minutes North of the Orlando airport, Disney and Universal. Take the family down for a trip while you attend our awesome seminar.

[BidstreetUSA.com](http://BidstreetUSA.com) was founded 1998 & has facilitated over 34,000 construction project leads since its conception, residential, commercial & public entity.

**Our seminar is taught in our office in Deltona, Florida once a month for a fee of \$800. Please call our office to find out if we have any special promotions!**
