History of BidstreetUSA.com

BidstreetUSA was founded by Chris M. Daskalakis in 1998 as an on-line gateway to the construction industry.

BidstreetUSA emerged as a construction project lead service operating in FL, NJ & NY, listing Residential, Commercial & Public Entity projects.

BidstreetUSA also facilitates used equipment and leftover or damaged construction material.

BidstreetUSA has posted over 35,000 projects since 1998.

BidstreetUSA Opportunity

- BidstreetUSA is looking to grow nationwide as the first Construction Information franchise opportunity by offering Agent Distributorships to qualified Agents.
- BidstreetUSA will be the first in the country to offer a Construction Information Service as a Franchise.
- Agent distributorships have the benefit of not paying the \$50,000 franchise fee ever since we are not currently registered as a franchise.
- Our business is recession proof, because contractors need our service more when the economy is down.
- You can do this PART TIME or FULL TIME, it's your business.

Our Services

- BidstreetUSA offers construction project leads to contractors and suppliers for \$500/6 months and \$800/ Year. They can pay by check or major credit card.
- Visitors can see real project leads before signing up as members by visiting our site. However, full contact information is hidden to non-members. There are no free trials since we show them the projects.
- BidstreetUSA also offers a variety of other services such as website design, education on how to get bonded for bidding public entity work and much more.
- Our business is recession proof, because contractors need our service more when the economy is down. Every contractor needs work and project leads all the time.
